1. Aurum Triphyllum.
2. Aurum Met.
3. Ammonium carb.
4. Hep. sulph..

IV.Explain the Gastric ailments of:

1. Carbo veg.
2. Cinchona.
3. Pulsatilla.

V Describe the Rectal symptoms of:

1. Nux vomica.

2. Aesculus Hip.
3. Silicea.

VI. Give the indications of the following in Respiratory Disorders :—

1. Antimonium Tart.
2. Bryonia.
3. Nat. sulph.

**FIRST YEAR B.H.M.S. DEGREE EXAMINATION, MARCH/APRIL 1997**

Paper II—MATERIA MEDICA

Answer all questions.

I. Describe the Sepia woman.

II. Explain the Skin affections of:

1. Calc. flour.
2. Kali sulph.
3. Sulphur.
4. Antim crud.

III. Give the Modalities of :

1. Colocynth.
2. Pulsatilla.
3. Kali carb.

IV. Give the indications of the following in a case of Headache :

1. Belladonna.
2. Nat. mur.
3. Calc. phos.

V. Explain the Female complaints of:

1. Silicea.
2. Nitric acid.
3. Secale cor.

VI. Explain:

1. Heart symptoms of Gelsemium.
2. Cough of Spongia.
3. Coryza of Allium cepa.
4. Calendula in injuries.

**FIRST YEAR B.H.M.S. DEGREE EXAMINATION, DECEMBER 1997**  
Paper 1—MATERIA MEDICA

I. Describe “Aethusa Cynapium” Baby.

II. Give the indications of the following in case of fever :—

- (a) Apis mel.
- (b) Ars. alb.
- (c) Baptisia.
- (d) Cinchona.

III. What are the Gastric symptoms of the following?

- (a) Aloes socotrina.
- (b) Argentum Nitricum.
- (c) Podophyllum.
- (d) Merc sol.

IV. Mention the indications of the following in a case of “Lumbago” :—

- (a) Aesculus Hip. -
- (b) Rhus Tôx.
- (c) Kali carb.

V. Mention the Mental symptoms of:

- (a) Antim, crud.
- (b) Baryta carb.
- (c) Aurum met.

VI. Give the Respiratory complaints of the following

- (a) Spongia
- (b) Causticum
- (c) Drosera

**FIRST YEAR B.H.M.S. DEGREE. EXAMINATION, DECEMBER 1997**  
Paper II—MATERIA MEDICA

1. Give the picture of Lachesis Lady.

2. Give the skin symptoms of:

- (a) Graphitis.
- (b) Nitric acid.
- (c) Thuja.

3. Give the indications of the following in the affection of Mucus membranes

- (a) Kali mur.
- (b) Merc. cor;
- (c) Borax.
- (d) Hepar sulph.

4. Give the Modalities of:

- (a) Kali carb
- (b) Mag. phos.
- (c) Chamomilla.

5. Give the renal complaints of:

- (a) Beriberis V
- (b) Coichicuin.
- (c) Lycopodium.

6. Explain:

- (a) Female complaints of Secale cor.
- (b) Chill of Gelsemium.
- (c) Head complaints of Helleborus.
- (d) Eye affection of Euphrasia..

**FIRST B.H.M.S. DEGREE EXAMINATION 'JUNE 1998**  
Paper I—MATERIA MEDICA

I. What all symptoms leading you to select Lachesis for a Lady?

II. Mention the nature of fever in Aconitum, Belladonna and Hyoscyamus.
