First of its kind in Kerala, APPLE HOMOEOPATHY offers speciality clinics led by a team of experienced and expert faculty. Fitting to the caption "world class healthcare", the facilities on offer at APPLE are truly world class. Currently we are having eleven departments. APPLE HOMOEOPATHY opened its first centre in Vatakara in Kozhikode district in Kerala state. More centres are going to be opened in the near future at Kannur, Kozhikode, Tirur etc.

In a short span of time the speciality clinics at APPLE have stamped their presence in Vatakara centre and the management is planning to increase the number of speciality clinics and consultants. Cost effective treatment without compromising on quality is the motto of our institution.
