

# CENTRE FOR EDUCATION & RESEARCH IN CLASSICAL HOMEOPATHY

Kottayam. Kerala. India

**CERCH** Homeopathy Clinic located in Kottayam and Ernakulam has been running successfully since 1993 with the credit of solving the ailments of many by offering remedies of Classical Homeopathy. Be it a slight difficulty or a severe one, we care for your health needs after proper study and research. Highly sophisticated Belgium software, RADAR, is used in obtaining the proper medication. Dr. Jose Zachariah, Chief Physician herald a team of specialized and dedicated doctors with the goal of dispensing the gloom of ailments and bringing back the sunshine into the lives of many.

**CERCH** was conceived in the year 1993 at Kottayam with the aim of practicing Homeopaths in the Orthodox Classical way and to prove the potentiality of Homeopathy. Gradually another center was opened in Ernakulam in the year 2002. In 2004 a charity clinic was started under **CERCH** Foundation at Parampuzha in Kottayam District with the aim of providing free treatment to the poor class.

Among the various diseases that we deal with are Recurring Cold, Asthma, Tonsillitis, Various ENT problems, Ulcer, Arthritis, Cancer, Epilepsy, Insomnia, Back ache, and many mental and emotional disturbances such as Phobias, Memory loss, Lack of confidence, Depression, Delusions, Schizophrenia, Suicidal Disposition etc.

We at **CERCH** aim to provide specific treatment for complaints like asthma, diabetics, hypertension etc through specialty op on specific days under the guidance of expert doctors in the corresponding area.

**Cerh Foundation** For the smooth functioning of our research wing a charitable trust in the name of 'CERCH Foundation' was formed. It is an organization dedicated for conducting researches on various health and social aspects. The foundation has already done a pilot research on behavioural problems in children. Experts of various fields like specialised doctors, psychiatrists, social workers, and teachers conduct these researches. These studies have enabled us to bring forth various standards regarding the physical, emotional and healthy growth of children and have also thrown light on various aspects in Homeopathy medication.

Foundation has started a free clinic in the year 2004 at Parampuzha in Kottayam in memory of its founder Dr. K.K Zachariah, to help the economically backward class and treat the ever-increasing acute diseases, which are found difficult to be managed by new strains of antibiotics.

Awareness programs and medical camps form an important part of our agenda, so that the true divine blessings of homeopathic treatment fall upon a large percentage of population by taking classical homeopathic treatment.
